Security Measures

At HS ValuePro, we are committed to protecting the privacy of your clients. These Security Measures describe our current policies and practices in relation to the handling and use of personal information.

What information do we collect and how do we use it?

As a service provider, we are subject to requirements to obtain and hold detailed information, which personally identifies you and/or contains information about you (“personal information”). In addition, to provide you with a comprehensive service we need to obtain certain personal information about you or your clients. We use personal information only for the purposes of our work, that is, Assurance services, Accounting & Financial Reporting, IPO & SPAC Transactions, Outsource CFO & controller services, Sarbanes-Oxley Compliance etc., We use your information to send you requested information to enable us to manage your ongoing requirements, e.g. further information regarding specific jobs and our relationship with you, e.g. invoicing. We may use your information internally to help us improve our services and help resolve any problems.

How do we hold & protect your information?

We keep personal information only for as long as is reasonably necessary for the purpose of execution of our work & any further work with you. We have access to the information collected from you using a secure external online server facility powered by our software partners.

We encourage you to ensure you practice the highest level of online security for your personal logins when using these Software packages. We ensure that the information you provide to us is safe by limiting access to your personal data to your assistant and his/her associate as requested.

Will we disclose the information we collect to anyone?

We do not sell, trade, or rent your personal or your client's personal information to others. We may disclose to, and obtain from, the following organization's personal information about you for the purposes described above: banks and finance organizations, valuation companies, mortgage insurers, real estate agents, settlement agents, and solicitors.
